Georgia State University, founded in 1913, has a mission of excellence in teaching, research and service. Located in the heart of downtown Atlanta, Georgia State University is the Southeast's leading urban research institution and, following a recent consolidation with Georgia Perimeter College, has an enrollment of 50,000 undergraduate and graduate students in six colleges. Georgia State is the largest university in the state, with students coming from every county in Georgia, every state in the nation and from over 150 countries. It is on the list of the top 100 public universities for doctoral degrees awarded. GSU offers 250 degree programs in more than 100 fields of study – at the bachelor’s, master's, specialist and doctoral levels. Georgia State is also ranked 14th among the most diverse universities in the nation and is ranked 4th in the “most innovative” institutions in the US.

The Division of Student Affairs provides a network of support and encouragement for students through counseling, advocacy, advisement, recreation, health, leadership training, and opportunities for personal growth. Further, the Division seeks to provide an enriching environment that allows for and encourages cross-cultural interaction, an appreciation of diversity, and ethical decision-making.

The mission of University Housing is to provide quality on-campus housing to enhance the personal growth and development of students. This is accomplished by offering modern, safe and secure facilities and opportunities for intellectual and social engagement and promoting purposeful interactions between residents and staff. Our residential communities include nine residence halls and nine Greek townhomes. We also have 12 living learning communities, a signature student leadership program, Panther LEAP, a cultural competency seminar, PAC3, and FYRE, a residential first year experience initiative. We engage our 5,200 residential students through practical competence, cultural competence, self-awareness and community engagement to cultivate global citizens.

General Job Summary:
The Graduate Assistant for Residential Learning Initiatives is a 12-month position. The primary function of this position is to support the academic and student success initiatives for residential students in University Housing. Emphasis will be given to coordinating, supporting and assisting with programmatic initiatives, advising and supervising student leaders and assisting with the management of the residential learning centers. Furthermore, the Graduate Assistant will assist with the supervision of the First Year Residential Experience (FYRE) Mentors and the Learning Center Student Assistants. This individual will work with the Coordinator for Residential Learning Initiatives and Assistant Director for Residential Student Success to develop initiatives that support the academic and personal success of residential students. Initiatives include but are not limited to, first year experience programming, residential curriculum, academic advising in the halls and other workshops or collaboration with campus partners. The Graduate Assistant for Residential Learning Initiatives will report to the Coordinator of Residential Learning Initiatives.
