**Housing Accommodations for International Students:**

Housing assignments are at the sole discretion of the housing applicant. After successfully completing a housing application, Applicants will have the opportunity to select their preferred housing assignment. *It is highly recommended that all international students reside in University Housing’s only year round residence hall University Lofts.* University Lofts has a total occupancy of 550 residents. The apartments are loft style, blending urban style with modern-day conveniences, and have open floor plans, sealed concrete flooring and exposed duct work. *With predominately shared-bedroom styled suites being offered and a limited amount of private-bedroom styled suites.* Applicants are encouraged to apply within weeks of the housing application opening, if wanting private-bedroom suite accommodations.

**Mailing Services:**

Mail Mailboxes are located next to the mailroom on the first floor of each residence hall. All mailboxes are accessible 24 hours a day for checking your mail. Mail is distributed by 5:00 PM Monday-Saturday. Each resident is assigned a mailbox (some residents may share a mailbox) and must check their mailbox each day. Your campus mailbox and your student e-mail address are the methods that University Housing staff use to communicate with all residents. Many important notices, disciplinary letters, parking information, and monthly newsletters are distributed through the mailboxes. In the table below, the “XXXX” is the box number assigned at check-in.

**Semester Break Residence Hall Closures:**

*All housing facilities except University Lofts will close between the Fall and Spring Semester (Winter) and at the end of Spring Semester.* For fall closing, Residents will not be required to move their belongings from their rooms/apartments However, at the end of the Spring Semester all student are required to remove all belonging. University Housing will disrupt the card access system and collect the resident’s apartment keys as students leave for the break. Both buildings will re-open at 8:00 am the Saturday before spring semester classes’ start. International students should schedule their flights with this in mind.

**Early Access to Housing for Exchange Students:**

*For Fall Semester*, Housing will grant international student early access to their room assignment. *Typically, the early access date is the day before international orientation.* This is a complementary offering by University Housing. In cases where students need to arrive earlier than Housing’s designated early access period, students will be charged a **nominal fee of $60 per night**. University Housing will indicate the earliest that a student can access the residence. Please have your exchange students contact you or the Housing Office regarding early access.
